# NOTICE/DISCLAIMER

The Elida Police Department will be checking your residence/business/building, this in no way guarantees that nothing will occur to your residence/business/building. Upon signing the front of this form, you are acknowledging that there will be days that the Elida Police Department will not be able to check the listed location. And that in no way, shape or form will the Elida Police Department or their officers be held responsible if anything would occur to or at the location listed on the front of the form. By signing the front of the form you are giving officers permission to enter the residence if found unsecured to check to ensure that no person(s) are inside or were inside the location and to determine if any damage or theft has been done to the location. Officers will attempt to contact you or your listed emergency contact person(s) to check the location and/or secure it, if no one can be reached officers will secure the location as best as they can and will leave you or your emergency contact(s) a message of their findings.
